Mick Kent Smacks Red-Hot Homer, Last Of Seventh, Chases Durrin Home To Wreck Hartford's 5-4 Lead

Fort Ann Bows To CCS Boys 5-3 On Their Own Diamond; Durrin Pitches Good Game Allowing 2 Hits, 1 Walk

Cambridge Central pulled a fifth inning rally to snatch the game with Hartford for its 3rd league win. In a tight race, Cambridge came out on top with a score of 5 to 3.

Both teams were held scoreless during the first three innings. Hartford opened up in the fourth to score Bruce. Cambridge was able to get three men on in the fourth, but none were able to score. Hartford rallied in the fifth and sent four men across the plate. Lyons and Miller drew walks and Shorne got a hit to load the bases. Aubrey got on an error by Johnny Luke and pushed Miller. Lyons was put out on a steal to second. Osborne, Aubrey and Bruce scored after Miller and led Cambridge with a score 5 to 0.

Cambridge came out in the fifth with Tuttle striking out, and Roby drawing a walk. Luke got a hit, but Roby was out at second in a fielder's choice. Bentley got a single and Durrin got on with an error on Osborne. Cambridge battled around and, when the dust cleared, Luke, Bentley, Durrin, and Dusha had crossed the plate to still leave Cambridge trailing 5 to 4.

In the sixth and seventh, Hartford was held scoreless. Bishop held Cambridge in the sixth but gave Durrin a walk in the seventh. Dusha hit out to the pitcher who threw him out. Kent got up and blasted out a hit which was too hot even for the center fielder to handle. Kent rounded the bags, and he pushed Durrin home to place Hartford one loss. Hoosic Valley takes the Championship with a perfect season of 5 wins.

Ray
Russ
Johnny

This week we're going to introduce three dignified seniors of CCS. Undoubtedly you have often seen them or heard of them but we're going to tell you a little more.

First we'd like to introduce Johnny Buckley. This year he's taking English IV, history, chemistry, intermediate algebra, and mechanical drawing I. Even though these subjects keep him very busy, he's still exceptionally active in sports! He was quarterback on last fall's football team, guard on the basketball team, and right now he's doing a swell job in center field. You'll often find him in the "green hornet" driving down South Park Street. He thinks "Objective Burma" was a swell movie and butterscotch pie rates tops with him. In August he wants to join the U. S. Merchant Marine and we all hope he'll have lots of luck.

Next we met Russ Roby in the hall and found he is taking English IV, history, Latin III, and chemistry. When not participating in sports you'll find Russ driving Randles' taxi, especially on Hospital Hill! Russ likes baseball best and he's sure a swell 3rd baseman. He also played some basketball and was center on the football team. That's about all we found out about Russ except that he's joining the Navy after graduation. The Japs had better scram!

Ray Durrin is next on our list and he's taking Latin II, English IV, history, and trigonometry, which helikes best. You're likely to find Ray in Byrnes' or in Argyle, that is—when he isn't at practice. He's a member of Glee Club, Dramatic Club, and Forum Club. Like the other two boys, Ray is very active in sports. He was halfback last fall in football, a forward in basketball, and now you're likely to find him on the mound for Cambridge during many a crucial game. He also plays the sax with the "Vagabonds." After graduation Ray wants to get his wings in the U. S. Navy. We all hope you'll get them!

Now that you know a little more about these three seniors we know you'll like them all the better and agree with us that they're a swell bunch!

What's this we heard about Nadine Jones meeting Frankie Thompson after school Monday? It looks bad, Nadine. Ruth Falle had better watch out for a certain Sophomore girl. It seems that this certain girl was caught talking with a Hoosic Falls guy!

Tattler Tales

A certain girl from Greenwich has a big crush on "Walt" LeGrys. (We hear that he has a big crush on her too!)

John Thompson seems to have a new hobby of drawing series of funny pictures which are all alike! He certainly fooled a lot of kids with such "Horse Play" Friday!

Allison Franklin thought up a new booby trap all by himself! He loves to disturb people in the movies (also in History class). Anne Arnold just loves the license number, 713. What a car! Who's "Yahoo'd?" Inquire—Winnie Stevens!

Whose nick-names are Harry and Harriet! Does anybody know? Ha Ha! As if we didn't! John Buckley seemed "A Little on the Lonely Side" Friday night! (We wonder why?)

Miss Hotaling looked pretty hot Monday noon while trying to get those Freshmen in order!

Marg Robertson was wishing like everything she could go to the dance Friday night. He wasn't there anyway, Marg! (Another of those Editor's notes—So they tell me!)

Thumper Thompson's new expression is "Do you still love me?"

"Old King Cole" was a merry old soul! (At least Dollface Beady thinks so!)

Why does Beatrice "Henrietta" dislike her name?

Thirty Students To Graduate From Jr. High, June 22

Rev. James Hunt Will Present To The Class An Address "Climbing"

Friday, June 22, will be the Junior High School commencement. This activity will take place in the gym of the Cambridge Central School at 8 p. m.

The salutatorian, Orson Spurr, will greet the audience by presenting some problems of "The Peace Citizens". This name was chosen for the class because we are the generation which will have the responsibilities of maintaining the coming permanent peace.

The valedictorian, who is Charles G. Vickers, will base his valedictory on the class motto "Labor Omnia Vincit" (Toil Conquers All).

As the guest speaker for the evening, the Rev. James G. Hunt, D. D., will present to the class an address, "Climbing". Principal Arthur M. Gallup will award prizes to members of the class for outstanding work throughout the year. There have been many who have had perfect attendance throughout the year, and for this they will receive perfect-attendance cards.

The climax of the occasion will occur when a member of the Board of Education presents diplomas to the following pupils: Donald Bates, Wesley Brown, Bessie Danio, Donald Decker, Philip De Marco, Alice Dunal, Ruth Falle, Ida Furforo, Marilyn Herrington, Janice Hillman, Hazel Loveland, Alice MacArthur, Hanna McKernon, Ruth McLenthian, Stanley McLenthian, Ruth Marra, Margaret Mulligan, William Nolan, Jerome Robertson, Joyce Royal, Jane Shields, Orson Spurr, Frank Thompson, Edward Tollison, Robert Tuttle, Charles Vickers.

A movie "The Howards of Virginia" was seen and enjoyed by all Friday afternoon.

Jeffrey Moffitt is back in school after being in the hospital.

Baccalaureate To Be June 24 With Graduation 25th

Dr. Joseph Bolton From Skidmore College Will Be Main Speaker

The Baccalaureate and Graduation exercises of the Class of '45 will be at 8:00 o'clock on June 24th and 25th respectively. Both of these events will be held in the First Presbyterian Church with Dr. James G. Hunt, pastor officiating.

At graduation the class will be addressed by Dr. Joseph Bolton. Dr. Bolton heads the English department at Skidmore and is very well known in Cambridge as a speaker, having given lectures and courses many times in this vicinity.

Joyce McCollum will give the Valedictory, and Clara Scaglione, the Salutatory Address.

There are 29 in this year's graduating class!

The Cambridge Central School orchestra, ably conducted by Mrs. Jennie Dempsey, will play Delameter's "Marilyn" and Beethoven's beautiful "Lobelia".

CCS Wins Second Place In Washington County Baseball Championship As Hoosic Valley Scores 8-1

Dusha, Luke, Durrin Pitch; Luke, Bentley, Durrin, Dusha, Kent Cross Plate; Cambridge Wins 3rd League Game Luckily—Thanks To Mick

Cambridge Central journeyed to Fort Ann Thursday afternoon and they returned home victorious with a score of 5 to 3.

Behind a well pitched game by Ray Durrin, who struck out 11 men, Cambridge collected 7 hits for a total of 5 runs. Ray allowed Fort Ann 2 hits and 3 runs and walked one man. Gleason of Fort Ann allowed 7 hits, struck out 14 men, and walked two men.

Cambridge scored two runs in the first inning when Luke and Arnold, the first two men up, were pushed home. The C. C. S. nine scored again in the 7th when Durrin, J. Buckley, and Johnny Luke again crossed the plate to compile a total of 5 runs for themselves.

Fort Ann scored 3 runs in the last half of the sixth when West, Freeman, and Crandall crossed the plate.

This game put Cambridge in a tie for the Washington County Baseball Championship but on Friday Cambridge journeyed to Hoosic Valley, where behind the expert pitching of Jim Djernes, we were beaten by a score of 8 to 1.

Djernes pitched a beautiful game against Cambridge. He struck out 14 men, walked two, gave up two hits and one run. Djernes never had to face more than four Cambridge men in an inning before he retired the side.

Dusha and Durrin faced the Hoosic Valley line up. Dusha walked four men, struck out three, and allowed two hits in the first two innings. Durrin struck out five, walked four, and allowed two hits for a total of four runs.

Cambridge committed a total of six errors against no errors for the Hoosic Valley team at all.

This puts Cambridge in second place in the league with 4 wins and no hits and no runs. Johnny Luke gave up one walk and one run. Durrin was tossed for 5 hits, 4 runs, and one walk.

Bishop went the seven innings for Hartford, giving up 6 runs, 6 hits, and two walks.

Batteries: Cambridge: Dusha, Luke, Durrin and Kent Hartford: Bishop.

Thirty-One Pupils Have 125 Points To Earn Orange C

Movie "Howards of Virginia" Is Shown In Assembly Friday

At the Friday assembly "Orange C's" were awarded. Professor Gallup gave a brief talk on the significance of the school letters. The number of points required for this letter are 125, and they are based upon the student's participation in sports, arts, dramatics, clubs, and class activities.

Letters were awarded to the following: Anne Arnold, George Arnold, Barbara Andrew, Jack Barker, Mae Bates, Loren Bentley, Frieda Brown, John Buckley, Robert Buckley, Ray Durrin, Dick Dusha, Harold Ehrenfreund, Charles Harf, Eleanor Hunt, Mick Kent, Fred LeGrys, Helen Lindell, John Luke, Ethel McClarty, Joyce McCollum, Ruth McCollum, Helen McInerney, Borgny Markusen, Jean Morris, Mae Reagan, Joyce Robertson, Marg Robertson, Russ Roby, Don Rutherford, Jean Sherman, and Helen Thompson.

Fred LeGrys received the largest number of points with a total of 535, thus winning his fourth letter.

After the presentation of letters, Mr. Ames spoke concerning the championship game at Hoosic Valley. He hoped a good crowd from the student body would attend the game and support the team.

A movie entitled "Howards of Virginia" was shown during the remainder of the assembly.

"Ruthless Failure, the Shoe Snatcher" is now the full title! She made off with one of Marg Robertson's shoes in study hall the other day and wouldn't give it back until Miss Moffitt made a big fuss over Marg's hopping to the pencil-sharpeners! Funny thing is that Billy Nolan got blamed for it all! He had the shoe!

WILLIAM LOFORO

FRED MILLER and FRANKLIN McLENTHAN, Auctioneers

I know you'd like me in your home.
I'd be happy too.
But without a central switchboard,
I'd be no good to you.

Every telephone installed in a home must be connected to a central office switchboard—for it is only by means of the switchboard, and other complex central office equipment, that your telephone can be connected with all the other telephones.

And it is the lack of such equipment—and not just telephone instruments—that is the main reason why we have to ask people to wait for telephone service.

Our problem of switchboard shortages is twofold. Even when the factories, now almost wholly engaged in making war materials, resume large-scale peacetime production, it will take time to produce the amount of this complicated telephone apparatus needed, and still more time to fit it into the existing telephone system.

Of this we are sure: As soon as equipment can be made available, no time will be lost in catching up with orders for home telephones—and all orders will be filled in their proper turn.
